Dear families,

The Vancouver School District's 2020-2021 secondary school year schedule enables secondary students to attend school each day while complying with the government's COVID-19 health and safety requirements. It prioritizes student choice while maintaining pathways to graduation, and allows for consistency across all 18 secondary schools in the District.

Health and safety remain our top priority for students and staff. Based on feedback and data, we are refining secondary school schedules moving forward.

The following changes are being made to secondary school schedules, for Quarter 3 beginning February 4, 2021:

- All grade 8 students will attend their remote class in person, twice per week, during Flex time
- All schools will go to a one-week rotation of remote and in-person classes
- All students will have three interactive learning opportunities per week for remote classes, with increased social interaction

For more information on the changes, please visit [GoVSB.ca/secondary-schedule](https://www.vsb.bc.ca/secondary-schedule)

Why these changes are being made

These changes ensure health and safety remain our top priority for students and staff. These changes reflect our commitment to student well-being, transparency, and data-driven decision-making.

We have been listening to students, families and staff, and we have been analyzing information about student attendance and achievement. From November 25 to December 6, 2020, VSB requested input from secondary students and their families, about their experience in the adapted school year schedule. We heard from 5,176 students and 6,163 families. VSB also received input from school staff about their experiences. Finally, VSB conducted a comprehensive analysis of secondary student attendance and achievement across the District, based on data from the first quarter of the 2020-21 school year.

For more information, please go to [GoVSB.ca/secondary-schedule](https://www.vsb.bc.ca/secondary-schedule)

What's next

These changes are effective for Quarter 3, beginning February 4, 2021. Before February 4, your school will publish an adjusted school-wide schedule, and you will receive communication from your teachers of any courses impacted by the changes.

If you have any questions about these changes, please see [Questions & Answers about these changes on the VSB website](#). If you have additional questions or concerns, please contact your school administration.

Regards,

Rob Schindel, Associate Superintendent
