

Point Grey Secondary PAC

Dear PG Parent/Guardian,

Welcome to Point Grey Secondary! Whether this is your first or fifth year at Point Grey (or maybe more for some families) we hope you find your child's time at Point Grey Secondary as rewarding as our children have. All parents/guardians are automatically members of the Parent Advisory Council (PAC). We host monthly meetings with speakers; the Grade 8 Parents dinner; Dumpling Night; and a New Years Lion Dance to name a few activities. We also put out the bi-weekly PG Newsletter to keep parents informed about what is happening at our school and in our community.

We're not just a social/fundraising PAC, we monitor what is happening at the Vancouver School Board (VSB) and the Ministry of Education (MoE) that may impact our children's education and try to keep our community informed and proactive.

Finally, we fundraise. We raise money to support our library, our teachers and our kid's clubs & activities. As the school budget gets tighter and tighter, there is less to funding for the arts, music, sports, math challenges, as well as those important extra-curricular activities that enrich and challenge our kids. In the past we've supported projects ranging from the library to sports to life skills to internet safety. Our goal this autumn is to raise \$10,000- \$15,000 through this campaign. If each family were to give what they can afford, we would exceed this goal, please give generously.
